**January 6, 2016**

Central Florida Cares Health System, Inc. (CFCHS) has finalized the decision regarding entering into negotiations for Invitation to Negotiate #2016-001-SA. Based on ranking, reviews, and recommendations, CFCHS will enter into negotiations with the following applicants:

Applicant	Ranking
Aspire Health Partners	Pending
Eckerd Kids	Pending

**Notice for Applicant Transition House, Inc.** As allowed by page 5 of ITN #2016-001-SA, it was deemed necessary by the reviewers to provide questions for CFCHS staff to ask the applicant in order to better understand the key elements of the proposed project. Understanding the key elements is necessary before the reviewers can make a recommendation for funding. Transition House, Inc., will have until Monday, January 11, 2016 at 12:00pm [EST] to respond to the questions. The final ranking of applicants will occur after the reviewers have reviewed the response.

The final ranking does not prohibit CFCHS from starting negotiations with the two applicants listed above.
